

EADA Report - 2019

The Equity in Athletics Disclosure Act (EADA) is intended to make prospective students aware of a school's commitment to providing equitable athletic opportunities for its men and women students. Any coeducational school of higher education that participates in an FSA program and has an intercollegiate athletic program must prepare an annual EADA report. The report contains participation rates, financial support, and other information on men's and women's intercollegiate athletic programs.

The survey data reported to the Department of Education for Dominican University is below. If you would like a paper copy of this report, please email finaid@dom.edu.

Data on schools, including Dominican University, is available here: [Equity in Athletics \(ed.gov\)](http://Equity in Athletics (ed.gov)).
