WHAT HAPPENS NEXT?

Applications for ARP Grants will be reviewed after the application closes. Award amounts will be determined after the application window closes and eligibility has been verified. The requirement from the federal government is for DU to prioritize award amounts to students with exceptional need. Dominican University will use the year 2021-22 Free Application for Federal Student Aid (FAFSA) process to prioritize for exceptional need. The amount awarded to eligible students will be grouped in need bands first, then the remaining allocated to qualified applicants.

If your application is approved, you will receive an email of your approval and the amount on or before November 5, 2021, so please watch your emails. Funds will be disbursed to you on or before Wednesday, November 10, 2021. The disbursement will be made by **echeck**.

****** An **echeck** is an electronic check that will be sent to your email address, and will be immediately available to you. You must download to print, or save to copy your **echeck**, then separately deposit it to your bank account. **Echecks** will only be sent to Dominican University's email addresses.

Special note: DU uses third-party vendor, Paymerang, to process payments. This is an approved vendor should you receive communications from them.
